

**Reply Brief Noted**

The examiner disagrees that the Examiner's Answer had a new grounds of rejection. The same art has been applied in every action and the clarification that a machine weight could be any element of the assembled mast lift was clarified in the Final Action, on pages 3-4, mailed 06/02/2010.

Any inquiry concerning this communication should be directed to DANIEL CAHN at telephone number (571)270-5616.
